

El Segundo Public Library, El Segundo Arts and Culture Committee  
and the El Segundo Blue Butterfly Conservancy present

# The Land Remembers: El Segundo Blue Butterfly Poetry Walk

Saturday, April 19, 2025

10AM-11:30AM

Meets at the 600 block of West Imperial Avenue  
between Loma Vista and Hillcrest.

Join El Segundo Poet Laureate Kweku Abimbola and Master Gardener Barbara Boland as they lead us on a short walk through Memory Tree Row.

Participants will observe nature while considering it a source of inspiration for creative work while learning about environmental restoration efforts of the Blue Butterfly Conservancy group.

Kweku Abimbola will then lead participants through a brief journal exercise, dialogue and poetry writing inspired by their observations of nature around them.

Participants are encouraged to bring a notebook, pens or pencils, a towel, beach blanket, or beach chair to sit on, along with a light snack, bottled water and wear comfortable shoes.

This event is FREE and welcomes all ages.

The Poet Laureate Program is funded by the City's Cultural Development Program.
