

ESMS Summer Reading 2025 for Incoming 6th, 7th and 8th Grade

Dear Middle School Students and Parents,

Incoming 6th, 7th, and 8th graders may ***choose*** the books they will read during the summer. **Students are required to read 1 Fiction book and 1 Nonfiction book.** The Language & Literature teachers at ESMS believe that students will become lifelong readers if given more choices. Our school's mission is to "*empower lifelong learners to create a better world.*" This is one way to help students fulfill that purpose. **Now might be the time to get a library card if you need one.**

Once the school year begins, students will engage in a writing assignment. They will be expected to use examples from fiction and nonfiction book(s) they read over the summer. ESMS L&L teachers strongly encourage students to take notes as they read, as they will be permitted in class.

If you want reading suggestions, please view the suggestions for each grade level below. These are simply suggestions and not required titles. As always, we encourage parents/guardians to take part in this decision to select books that best fit their student's needs.

Thank you,

ESMS Language & Literature Teachers

Many titles are available as eBooks for FREE through [Overdrive](#), [ESPL](#), and [Epic Books](#). The following are additional suggestions by grade level.

6th Grade Reading Suggestions:

(Avoid Gabe & Izzy, as it will be taught during the school year. Please do NOT choose a book that is a movie, TV show, or cartoon.)

- **Book Riot:** [50 Must Read Books for 6th Graders](#)
