RESOLUTION NO. 5167

A RESOLUTION OF THE CITY OF EL SEGUNDO ESTABLISHING A SCHEDULE OF FEES AND CHARGES FOR RECOVERING COSTS INCURRED FROM PROVIDING VARIOUS CITY SERVICES.

The Council of the City of El Segundo resolves as follows:

SECTION 1. The City Council finds as follows:

- A. The City Council may establish fees for services under various provisions of California law including, without limitation, Business & Professions Code § 16000; Government Code §§ 36936.1, 43000, 54344, 65104, 65456, 65874, 65909.5, 65943, 66013, 66014, 66451.2; and Health & Safety Code §§ 510, 17951, 17980.1, and 19852;
- B. Pursuant to Government Code § 66016, the City made data available regarding the cost, or estimated cost, of providing services for various fees ten (10) days before the public hearing held on August 20, 2019;
- C. On September 17, 2019, City Council heard public testimony and considered evidence in a public hearing held and noticed in accordance with Government Code § 66016;
- D. At the recommendation of the City's Departments and the City Manager, the City Council believes that it is in the public interest to establish the recommended fees to recover the costs of public services.

SECTION 2. *The Fee Schedule Adoption:* The schedule of fees and charges attached as Exhibit "A" and incorporated into this Resolution as if fully set forth herein, are approved and adopted.

SECTION 3. *Separate Fee for Each Process:* All fees set by this Resolution are for each identified process; additional fees shall be required for each additional process or service that is requested or required. Where fees are indicated on a per-unit of measurement basis, the fee is for each identified unit or portion thereof within the indicated ranges of such units.

SECTION 4. *Added Fees and Refunds:* Where additional fees need to be charged and collected for completed staff work, or where a refund of excess deposited monies is due, and where such charge or refund is \$15.00 or less, a charge or refund need not be made, pursuant to California Government Code § 50055 and amendments thereto.

SECTION 5. New Fees: Any fees for new services established throughout the year shall be incorporated into the City's fee structure and collected with recovery percent consistent with similar services.

SECTION 6. Interpretation: This Resolution may be interpreted by the several City Department Heads in consultation with the City Manager, and should there be a conflict between two fees, then the lower in dollar amount of the two shall be applied.

SECTION 7. Intent: It is the intention of the City Council to review the fees and charges as determined and set out herein, based on the City's next Annual Budget and all of the City's costs reasonably borne as established at that time and, if warranted, to revise such fees and charges based thereon.

SECTION 8. Unless otherwise revised, the fees established by this Resolution will be automatically adjusted on an annual basis at the beginning of each fiscal year based on the most recent reported June annual percentage of change in the United States Department of Labor, Bureau of Labor Statistics' Los Angeles-Riverside-Orange County CPI-U for the calendar year.

The first fee adjustment may not be made before a minimum of twelve (12) months after the effective date of this Resolution.

SECTION 9: This Resolution is exempt from review under the California Environmental Quality Act (Cal. Pub. Res. Code §§ 211 000. *et seq.*; "CEQA") and CEQA regulations (14 Cal. Code Regs. §§ 15000, *et seq.*) because it establishes, modifies, structures, restructures, and approves rates and charges for meeting operating expenses; purchasing supplies, equipment, and materials; meeting financial requirements; and obtaining funds for capital projects needed to maintain service within existing service areas. This Resolution, therefore, is categorically exempt from further CEQA review under 14 Cal. Code Regs. § 15273.

SECTION 10. Effective Dates: This resolution shall go into full force and effect immediately but shall be subject to the terms and conditions pursuant to Government Code § 66017. Development related fees will go into effect November 1, 2019, Recreation fees will go into effect October 1, 2019, Aquatic fees and Special event fees shall go into effect October 1, 2019, while all other fees will become effective on October 1, 2019 and will remain effective unless repealed or superseded.

SECTION 11. All resolutions and other actions of the City Council in conflict with the contents of this Resolution are hereby repealed.

SECTION 12. Severability: If any portion of this Resolution is declared invalid or unconstitutional, then it is the intention of the City Council to have passed the entire Resolution and all its component parts, and all other sections of this Resolution shall remain in full force and effect.

SECTION 13: The City Clerk will certify to the passage and adoption of this Resolution; will enter the same in the book of original Resolutions of said City; and will make a minute of the passage and adoption thereof in the record of proceedings of the City Council of said City, in the minutes of the meeting at which the same is passed and adopted.
