- Steering Committee, South Bay Cities Council of Government (COG)
- Transportation Committee, Southern California Associate of Governments

- Chairman, El Segundo Economic Development Advisory Council
- Veteran, US Navy
- Community Board Member, ESMoA

I will strengthen the future of El Segundo by fostering commerce, protecting our interests in Los Angeles County, bolstering our finances and enhancing preparedness and public safety, while maintaining our small town charm.

My family and I are appreciative of all El Segundo has provided us and I look forward to giving back further.

I humbly ask for your vote and thank you for your support.
