

STATEMENT OF LANCE GIROUX
CANDIDATE FOR MEMBER OF THE CITY COUNCIL
EL SEGUNDO CITY GENERAL MUNICIPAL ELECTION

Age: 56

Occupation: Business Executive

My wife, Gina, and I happily settled in El Segundo almost 20 years ago, and as proud parents of two children, are fully vested in our great city. As a concerned resident, homeowner, community volunteer, and executive vice president of a local company, I want to protect and promote the values that make El Segundo the best place to raise a family and put down roots: quality public services, strong schools, growing business environment, respect and care for our seniors, and a deep sense of community.

After serving as president of the El Segundo Little League and El Segundo Girls Softball League, I expanded my civic engagement. In 2018, I was appointed to the Economic Development Advisory Committee and currently serve on the El Segundo Education Foundation board. These leadership positions, combined with my vast domestic and international business acumen, have prepared me for this next step in serving the people of El Segundo in a greater capacity.

I look forward to working with you and serving this city through new and creative approaches to help us grow and prosper. Let's preserve what we love about El Segundo together!

On Election Day, I respectfully ask for your support.
