

Coronavirus Update April 1, 2020

The City of El Segundo activated their All-Hazard Incident Management Team (AHIMT) on March 18, 2020 in response to COVID-19. The team's main objective is to provide for the health and safety of the public, first responders and city employees while continuing to provide emergency response and essential city services. Additionally, to provide the community with current, accurate and timely information. One way is through this daily update which replaces the Situation Report.
