Public Works Department NOTICE OF IMMINENT CONSTRUCTION FY 19/20 PAVEMENT REHABILITATION PROJECT

Dear Property Owner:

City Council recently awarded a project to Hardy and Harper, Inc. to resurface several sections of City streets in the upcoming weeks:

1. E. Imperial Avenue from McCarthy Court to California Street
2. E. Pine Avenue from Arena Street to Center Street
3. California Street from W. Imperial Highway to its south cul-de-sac

The project's purpose is to remove the top two inches of asphalt pavement and replace it with new pavement. The intent of this letter is to help you understand the project and minimize inconveniences you may encounter.

Schedule

The project is scheduled to begin October 19, 2020, and take approximately four weeks to complete. Working hours will be Monday through Friday from 7:00 am to 4:00 pm.

Hardy and Harper, Inc. will deliver Notices to affected residents one week prior to construction, and No Parking signs will also be placed 72 hours in advance, informing motorists not to park in certain areas. Please note that schedules may change based on material availability, weather conditions, or other unforeseen circumstances.

Please inform family members or tenants of construction activities so they may plan accordingly.

The Work

The contractor will adjust manhole and valve covers to prepare for the work. They will then grind off the top two inches of street asphalt, install new asphalt, re-stripe the streets, and adjust manhole and valve covers again if needed. They will also do touch-up striping in other areas of the City. Through traffic will be maintained on the streets during the project. *Please obey any pedestrian and vehicle traffic controls in the construction areas, for everyone's safety!*

Contact Info

Mindie Parks, Project Manager, Hardy and Harper, Inc. (714) 444-1851 Ext. 142: Please contact Ms. Parks for any on-site, day-to-day questions you may have about timing and access.
