

Dear Applicant,

Thank you for submitting your plans to the Development Services Department. This Department is responsible for routing your plans to all City departments/Divisions which are required to review your plans after the required Plan Review fees have been paid. Each department will assign your plans based on availability of their staff and based on a first come first served basis.

For your convenience, the following matrix is provided so that you can contact each department for the status of your submitted plans.

We as the City have a goal to complete the plan review for the “Regular” submitted plans within 30 working days from the day the Plan Review fees are paid and 25 working days for the “Accelerated” submitted plans.

Your submitted plans for the following Plans will be routed to different departments/Divisions as indicated below:

Plan Check No.: _____

Building & Safety Planning Fire Prevention Public Works Parks Environmental Safety

Plan Check No.: _____

Building & Safety Planning Fire Prevention Public Works Parks Environmental Safety

You can check the status of your submitted plans online by visiting:
