# **NOTE FROM THE RECREATION, PARKS, AND LIBRARY DIRECTOR**

Greetings El Segundo Residents,

I hope all of you enjoyed a wonderful holiday season with friends and loved ones and are looking ahead to 2023! We are launching several exciting projects within the Recreation, Parks and Library Department that will provide the community with updates to amenities to enjoy for many years. The Recreation Park Renovation project is underway and the Plunge remodel will be ahead as well. Please look for updates on our City website and social media channels and feel free to share your feedback and ideas with me by email at [amancini@elsegundo.org](mailto:amancini@elsegundo.org).

Looking forward we are excited for some of our most popular City events including the Egg Hunt and Hometown Fair. We will also be rolling out more classes to help you stay healthy in mind and body. As always, if you have any ideas for new classes or activities, your input is welcomed.

I encourage every resident to prioritize self care during the continued post pandemic era. Ask a neighbor to join you for a walk in Rec Park, sign up for an art class or get some laps in at the Aquatic Center. Make time for you!

Happy Spring,

Aly Mancini

Recreation, Parks and Library Director

# **RECREATION PARK RENOVATION PROJECT**

**The Recreation Park Renovation Project process has begun!**

**In mid-January, the Recreation, Parks, and Library department opened a RFQ calling on firms specializing in the Planning, Design, and Engineering of Park and Recreation Facilities. Perspective design firms met with City staff to tour the Recreation Park facilities and submit their qualifications.**

**Based on the quality of submissions, City management continued to interview the top firms. The City is looking to partner with one of the perspective firms to produce an overall conceptual plan and detailed engineering plans for Phase One of the Recreation Park renovations.**

**Phase One includes:**

**Teen Plaza, including the Teen Center, skatepark and basketball court immediately adjacent to the Teen Center.**

- 1.Improvements to three ballfields (Brett Field, Stevenson Field, and Softball Field) including field improvements, outfield improvements, score boards, lighting, fencing and irrigation.**
- 2.Tennis, pickleball, paddleball and court renovations.**
- 3.Re-imagining the lawn bowling, horseshoe toss, Bag-o, and shuffleboard areas.**

**Follow along on social media and our website for all updates on this project!**
