### Downtown El Segundo Burglary Suspects Arrested

On March 25, at approximately 3:00 am, suspects burglarized six closed businesses in the downtown district of El Segundo, forcing entry into each location targeting cash registers and valuables.

El Segundo Detectives began their investigation, obtaining crucial evidence and ultimately identifying a vehicle and suspects involved in the crime.

During the investigation, ESPD learned that the suspects were also suspected of committing numerous other burglaries in LA and Ventura County.

ESPD Detectives collaborated with other involved police agencies in order to identify suspects' residences and additional victims.

In early June, both suspects, a male adult and male juvenile, were separately arrested and are currently in custody in Ventura County facing numerous felony charges. Subsequent to the arrests, two search warrants were served in the City of LA by Ventura County Sheriff's Department and the El Segundo Police Department.

The El Segundo Police Department will be presenting this case to the Los Angeles County District Attorney's Office for filing considerations.
