I, the applicant/owner of the property located as noted as project address, acknowledge that I am aware approval from the Development Services, Fire, or Health Departments, and any other agencies that are required prior to the issuance of the building/grading permit. I hereby choose to submit plans for building/grading plan check prior to obtaining the necessary approvals of the agencies. Furthermore, I am aware that if the building/grading plans have been reviewed and I cannot obtain the necessary approvals from the other agencies, the fees paid to the Building Department for plan review will be forfeited. I understand that additional plan check fees will apply if the plans submitted are modified in order to obtain approvals from other agencies. Also, plan check is valid for one year; additional fees may be required after one year for renewal.
