ARTICLE 1 – GENERAL PROVISIONS

Section 1.01 PREAMBLE

1. These Terms and Conditions of Employment apply to the El Segundo Firefighters' Association, affiliated with the International Association of Firefighters, hereinafter, referred to as "Union", and the management representatives of the City of El Segundo, hereinafter referred to as the "City", pursuant to the California Government Code Section 3500 et seq.
2. The parties have met and conferred in good faith regarding employment conditions and these Terms and Conditions of Employment shall be effective as described in Section 1.03, below. There will be no other negotiations for salaries, benefits, and working conditions for the term covered by these Terms and Conditions unless both parties agree otherwise. Nothing herein prevents the City from meeting and conferring with the Union on proposed changes to the City's Personnel Rules and Regulations, which are within the scope of representation.

Notwithstanding the above, the Parties previously agreed that either party may re-open these Terms and Conditions and require the other party discuss the following items:

- (a) Modification to the Municipal Code
- (b) Arbitration of claims
- (c) Worker's Compensation Carve Out Program
- (d) Education Reimbursement Program

However, no changes shall be made with respect to any of the above items without mutual agreement by the parties.

3. Any and all prior or existing Memoranda of Understanding, Letters of Agreement, Addendums, Side Letters, and other such documents between the parties are hereby superseded and terminated in their entirety, whether or not the specific subject matter of any such document is addressed herein.

Section 1.02 RECOGNITION

The City hereby confirms its recognition of the Union as representative of the employees in the representation unit containing positions specifically set forth below, and has agreed to meet and confer with the Union on all matters relating to the scope of representation pertaining to the said employees as authorized by law. For representation purposes, the unit shall consist of the following positions: Firefighter, Fire Paramedic, Fire Engineer, and Fire Captain. The Union was also recognized to represent the previous position of Special Assignment Paramedic.

Section 1.03 TERM

These Terms and Conditions shall be effective February 20, 2024. These Terms and Conditions shall remain in full force and effect until such time as a new agreement is reached.

Section 1.04 MANAGEMENT RIGHTS

1. Except as limited by specific and express terms herein, the City hereby retains and reserves unto itself all rights, powers, authority, duty and responsibilities conferred on and vested in it by the laws and the Constitution of the State of California and/or the United States of America.
2. The management and the direction of the workforce of the City is vested exclusively in the City, and nothing herein is intended to circumscribe or modify the existing rights of the City to direct the work of its employees; hire, promote, demote, transfer, assign and retain employees in positions within the City, subject to the rules and regulations of the City; suspend or discharge employees for proper cause; maintain the efficiency of governmental operations; relieve employees for lack of work; take action as may be necessary to carry out the City's mission and services in emergencies; and to determine the methods, means and personnel by which the operations are to be carried out within the scope of representation.

Section 1.05 SAVINGS CLAUSE

If any provision or the application of any provision of these Terms and Conditions of Employment as implemented should be rendered or declared invalid by any final court action or decree, or by reason of any preemptive legislation, the remaining sections of these Terms shall remain in force and effect.

Section 1.06 NO STRIKE CLAUSE

1. California Labor Code Section 1962 provides that firefighters shall not have the right to strike, or to recognize a picket line of a labor organization while in the course of the performance of their official duties. Therefore, and irrespective of the term or existence of any Memorandum of Understanding or other rule or regulations, the parties acknowledge that such activity is unlawful.
2. Additionally, any other job action, including but not limited to slow downs, speed ups, "sick outs" and other activity actually or potentially having a negative impact upon the public health and welfare, is deemed illegal and is prohibited, irrespective of the term or existence of any Memorandum of Understanding e.g. see City of Santa Ana v. Santa Ana Police Benevolent Association (1989) 207 Cal.App. 3rd 1568, 255 Cal.Rptr. 688 regarding public safety organization "sick outs").

Section 1.07 MAINTENANCE OF EXISTING BENEFITS

1. The Terms and Conditions of Employment contain all of the covenants, stipulations and provisions applicable to the parties. It is understood that all items relating to employee wages, hours and other terms and conditions of employment not covered in these Terms and Conditions of Employment are covered by existing ordinances, resolutions, policies, and practices of the City, as well as the Personnel Rules and Regulations presently in effect. Therefore, for the life of these Terms, neither party shall be compelled to meet and confer with the other concerning any mandatory meet and confer issues whether specifically discussed prior to the implementation of these Terms or which may have

been omitted in the discussions which led up to the implementation of these Terms, except as provided or by mutual agreement of parties.

2. Nothing herein prevents the City and Union from meeting and consulting on the City's Personnel Rules and Regulations, which are within the scope of representation. However, the mutual agreement of both the City and Union are required to effect any change.

Section 1.08 NOTICE TO MEET AND CONFER

1. Except in cases of emergency as provided in Government Code Section 3504.5, the governing body of a public agency, and boards and commissions designated by law or by such governing body, shall give reasonable written notice to each recognized employee organization affected of any ordinance, rule, resolution, or regulation directly relating to matters within the scope of representation proposed to be adopted by the governing body or such boards and commissions and shall give such recognized employee organization the opportunity to meet with the governing body or such boards and commissions.
2. In cases of emergency when the governing body or such boards or commissions determine that an ordinance, rule, resolution or regulation must be adopted immediately without prior notice or meeting with a recognized employee organization, the governing body or such boards, and commissions shall provide such notice and opportunity to meet at the earliest practicable time following the adoption of such ordinance, rule, resolution, or regulation.

ARTICLE 2 – SALARIES

Section 2.01 SALARIES

1. Effective October 14, 2008, the past practice of "compounding" base salaries shall terminate, whereby base salaries were previously supplemented and increased in amounts determined by the percent of incentives/special compensation pay.
2. Effective February 24, 2024, the base salary of each represented employee shall be increased by one and one-half percent (1.5%)
3. Attached to these Terms and Conditions of Employment as Exhibit II, and incorporated herein by reference as though set forth in full, is the actual computation of base salaries as reflected by the above provisions of this Section 2.01.
4. The Parties agree to re-open the Terms and Conditions of Employment, at the City's option, if the City determines that it is facing a fiscal hardship. However, no changes shall be made based upon this re-opener without mutual agreement by the parties.

Section 2.02 SCHEDULE OF CLASSES BY SERIES

1. The following respective range numbers are hereby allocated and assigned to the following respective positions in the service of the City, hereinafter set forth:

Firefighter	483	Steps A – F
Fire Engineer	497	Steps A – E
Fire Paramedic	497	Steps A - E
Fire Captain	510	Steps A - E

2. Effective November 28, 2015, a new classification of Fire Paramedic shall be established. The assigned salary range is 497, Steps A – E.

Section 2.03 SALARY SCHEDULE CALCULATION METHODOLOGY

1. The methodology used in computing adjustments in monthly salary shall be as follows:
2. Adjustments are to be computed from the amount shown in the base salary columns, step A through F of Range 483, and step A through E of Ranges 497 and 510 of the Base Salary Schedule. Multiply each step by the percent of the new salary adjustment. Once all of the salary steps have been computed, each salary figure shall be rounded off to two (2) decimal places, and this amount will comprise the new base salary schedule. Taxable pay will be calculated by subtracting the Public Employee Retirement System (PERS) picked up by the employer in accordance with Internal Revenue Code Section 414(h)(2), (which is calculated at 9% of the resulting regular rate of pay). Hourly rates for each step are calculated by multiplying the respective unrounded salary step plus applicable incentives (regular rate of pay) by twelve (12) and then dividing by two thousand nine hundred twelve (2,912) and rounding off the result to the nearest two (2) decimal places.

Section 2.04 REGULAR RATE OF PAY

These Terms and Conditions periodically refers to the “regular rate of pay.” The “regular rate of pay” is defined in 29 USC § 207(e) within the Fair Labor Standards Act (“FLSA”). The term “regular rate of pay” as used herein is intended to be consistent with the definition assigned in the FLSA as described in 29 USC § 207(e). Therefore, the regular rate of pay is the remuneration paid to or on behalf of the employee except for those items excluded from the regular rate of pay as set forth in 209 USC § 207(e)(1-8.) The parties acknowledge that the City does not pay the employee’s 9% PERS member contribution and consequently employer paid member contribution of 9% does not apply to this bargaining unit and is not to be calculated as part of the regular rate of pay. Such acknowledgement shall not cause any reduction of pay as the result of this language.

The regular rate of pay is derived by taking all remuneration paid to or on behalf of the employee except for the excluded items as set forth in 29 USC 207(e)(1-8) then dividing this number by the number of hours regularly scheduled in a standard two week pay period.

Section 2.05 BASE SALARY SCHEDULE-STEP ADVANCEMENT

1. The advancement of a new employee from Step A shall be on the new employee's anniversary date which is established as the day immediately following satisfactory completion of his/her first six months service; Steps B, C, D and E (F for Firefighters only) contemplate one year's service in each of such classification subject to the limitations of the paragraph below and the advancements there from shall be on the anniversary date of the employee; Step E (F for Firefighters only) contemplates continued service in such step until further advancement is indicated by reason of longevity.
2. If the employee's anniversary date falls in the first week of the pay period, the effective date of the increase will be the first day of that pay period; if the anniversary date falls in the second week of the pay period, the effective date of the increase will be the first day of the following pay period. An employee in the fire service shall be presumed to merit an increase in pay unless his or her current performance evaluation on file rates him or her below standard or unsatisfactory and the Fire Chief notifies the Personnel Officer and employee in writing at least ten days in advance of the scheduled increase that the increase in pay should be withheld, stating reasons. If employee's performance subsequently improves to a satisfactory level, the pay will be granted upon the issuance of a satisfactory performance report.

Section 2.06 FIREFIGHTER COMPENSATION/PROBATIONARY PERIOD

Fire service employees shall be appointed to the position of Firefighter and compensated at Step A of the range assigned to Firefighter (483) for the first six (6) months from their date of hire. They shall be on probation during the first twelve (12) months from their date of hire.

Section 2.07 CHANGE IN ANNIVERSARY DATE AND RANGE NUMBER

An employee advanced from one range to another, shall receive a new anniversary date, which is the date of the change. Other changes in salary, unless specifically directed by the Council or as provided in the second paragraph of the Section herein entitled "Base Schedule-Step Advancement" herein shall not change the anniversary date, except for promotions made in accordance with the Personnel Merit System ordinance and the Personnel Rules and Regulations. The City Council reserves the right at any time, and in its sole discretion, to change the range number assigned to any officer or employee and to determine the particular step in any range number which is to be thereafter assigned to any such officer or employee.

Section 2.08 SALARY PLACEMENT ON PROMOTION

1. In all cases where an employee is promoted to a classification for which a higher rate of compensation is provided, then such employee so promoted shall enter into such higher classification at the lowest rate of compensation provided for such higher classification which exceeds by not less than five percent of the base rate of the affected employee.
2. All supervisors shall be paid a base rate not less than the next higher base rate than any of their subordinates. In the event that a supervisor is paid a base rate of pay equal

to or lower than one of his/her subordinate's base rate, the supervisor's base rate shall be advanced to a step in his/her salary range which is next higher than any subordinate's base pay exclusive of longevity pay, educational incentive pay, and special assignment pay.

3. Any affected employee assigned to and performing the duties of a Fire Paramedic and who is promoted, shall suffer no decrease in base salary (pre-promotion base salary being measured by base salary plus any paramedic bonus). This Section shall not apply to paramedics who suffer a salary decrease because of a reassignment out of the paramedic program (as opposed to a promotion).

ARTICLE 3 – INCENTIVE COMPENSATION

Section 3.01 PARAMEDIC SPECIAL ASSIGNMENT PAY

Effective the pay period beginning November 28, 2015, Paramedic Special Assignment Pay shall no longer be provided to members of this bargaining unit. Rather, employees currently performing special assignment paramedic duties shall be reclassified to the newly created classification of Fire Paramedic.

Section 3.02 PARAMEDIC LICENSE INCENTIVE

1. Effective October 14, 2008, permanent sworn employees that possess a California Paramedic License and have Accreditation by the County of Los Angeles will be compensated at the monthly amount set forth in Exhibit V.
2. The members qualifying for this incentive may be utilized on paramedic assessment apparatus. These employees will be used on rescue ambulances to cover for members in the special assignment paramedic status when no special assignment paramedic can be reasonably called in from off duty. When no Fire Paramedic can be reasonably called in from off duty, then the following procedure will be used.
 - a. If the opening occurs on a rescue ambulance, move the special assignment paramedic from the assessment apparatus to the rescue ambulance.
 - b. Move an on-duty qualified paramedic Engineer or Captain to the assessment apparatus and hire back a Firefighter (the on-duty Battalion Chief will decide based on operational need as to which on-duty member would best be moved.)
 - c. If there is no on-duty qualified paramedic Engineer or Captain, check availability for an off-duty qualified paramedic Engineer or Captain who has signed up and attempt to rehire (Engineers will be considered first then Captains.)

- d. If there are none on the availability rehire list, then attempt to force hire an off-duty qualified paramedic Engineer or Captain (Engineers will be force hired first before Captains.)
 - e. If no off-duty qualified paramedic Engineers or Captains can reasonably be called in from off-duty, then a firefighter will be force hired to fill the vacancy.
3. Members who have never been certified/licensed or who have decertified (no longer licensed) and seek certification or recertification (licensure) will be sponsored by the City at the member's request. Certification, recertification or licensure shall be at the member's own time and expense including all fees for testing, licensure and any other associated costs with the exception of continuing education currently provided by the City's EMS Educator. Educational reimbursement will not be provided for outside training required for the initial recertification/licensure, or in situations where the employee did not attend classes provided in-house by the City's Nurse Educator or other City provided resource. Once a member has in his/her possession a California Paramedic License and Accreditation from Los Angeles County and makes those documents available for inspection by the City, they shall be compensated as per the provisions in these Terms and Conditions of Employment.
 4. The City shall continue to provide an EMS Educator.

Section 3.03 FIRE STAFF PREMIUM PAY

Effective October 14, 2008, uniformed personnel who are assigned Fire Department work outside of the Suppression Division shall receive fire staff premium pay equal to Fifteen percent (15%) above the employee's regular rate of pay to which they are entitled.

For the purpose of this section, "appreciable period of time" is defined as ten consecutive working days (eight working days if on Four/Ten Plan) or longer.

Section 20.02 METHOD FOR FILLING VACANCIES

Rank for rank rehires shall be the standard method used for filling vacancies with the exception of long-term vacancies expected to be longer than eight (8) weeks.

Section 20.03 GUIDELINES

1. Long-term vacancies (more than 8 weeks) may be filled with provisional appointments made at the direction of the Fire Chief. The following guidelines shall be used when considering filling a vacancy by provisional appointment.
 - a. The Fire Department Personnel Officer (FDPO) shall obtain a diagnosis in writing from the attending physician.
 - b. The FDPO will refer to the Medical Disability Advisor, 2nd Edition, by Presley Reed, M.D., to assist in determining the duration of the employee's absence. This would be the average of the minimum and maximum expected length of disability in the category for very heavy work.

Section 20.04 PARAMETERS FOR CONFERRING

1. The FDPO will confer with the Union to determine whether or not a provisional appointment should be made. Provisional appointments will normally be made when each of the following statements is true:
 - a. An employee to be provisionally appointed is reasonably available and has qualified for the position by competitive examination.
 - b. The provisional appointment is needed to relieve an overburden of staffing replacement hours.
 - c. The provisional appointment will not cause an overburden of staffing replacement hours.
 - d. The provisional appointment does not fall 45 days prior to a promotional examination in the same classification as the provisional appointment.
 - e. The provisional appointment can be reasonably justified as an operational necessity.

Section 20.05 DETERMINATION OF APPOINTMENT

The recommendation will be made within ten (10) days of a known vacancy and include the agreed upon answers to the statements listed above and/or the agreed upon differences of opinion of the FDPO and the Union.
2. The Fire Chief will consider the recommendation and make the final determination. If the recommendation is not made within ten (10) days, the Fire Chief will make a decision based on the information available at that time.

Section 20.06 INTENT OF POLICY

This policy shall not be abused or used outside the intent of filling longer-term disability positions, except for dynamic emergency situations that dictate rank for rank rehires.

ARTICLE 21 – MAINTENANCE AND REPAIRS

Section 21.01 LIMITED MAINTENANCE AND REPAIR

Fire Department members shall perform limited maintenance and repair such as outlined below:

1. CARPENTRY

Unit employees shall continue to be responsible for the maintenance and cleaning of all other areas in this facility and all areas of Fire Station #2 as presently provided.

ARTICLE 22 – MATERNITY LEAVE

Section 22.01 EQUAL BENEFITS

Except as provided herein, a female employee disabled because of pregnancy, childbirth, or a related medical condition shall have the same benefits as are provided to other employees who are temporarily disabled for (non-industrial) medical reasons.

Section 22.02 WORKING AND REPORTING

It is the employee's right to continue to work while she is pregnant. Members who become pregnant and are physically capable of performing their jobs may, at their discretion, remain in active-duty positions, and are not required to report their condition to the employer.

Section 22.03 LIGHT DUTY

1. The City shall transfer a pregnant female employee to a less strenuous or hazardous position for the duration of the employee's pregnancy if she so requests, with the advice of her physician or the employee's other licensed health-care provider, where that transfer can be reasonably accommodated. The position will have an equivalent rate of pay and benefits. However, the City shall not be required to create additional employment that the City would not otherwise have created, nor shall the City be required to discharge any employee, transfer any employee with more seniority, or promote any employee who is not qualified to perform the job.

Section 22.04 LEAVE

1. A female employee disabled because of pregnancy, childbirth, or a related medical condition shall be entitled to take up to four months of leave of absence or the amount of accrued sick leave and vacation (if such leave is used), whichever is greater, due to such disability. The definition of "disabled because of pregnancy" includes that provided in California Code of Regulations Section 7291.2(g) and includes severe morning sickness or the need for time off for prenatal care. The date on which the leave should commence and the date on which the employee shall resume duties, shall be determined by the employee and her physician or the employee's other licensed health-care provider. Leave may be taken intermittently or on a reduced work schedule when medically advisable, as determined by the employee's physician or her other licensed health-care provider. At the end of the employee's period(s) of pregnancy disability or at the end of four months pregnancy disability leave, whichever occurs first, a California Family Rights Act ("CFRA") eligible employee may request to take CFRA leave of up to 12 workweeks for the birth of her child, if the child has been born by that date. There is no requirement that either the employee or child have a serious health condition in order for the employee to take CFRA leave. There is also no requirement that the employee no longer be disabled by her pregnancy before taking CFRA leave for reason of the birth of her child.

Section 22.05 NOTICE OF LEAVE

1. Any employee who plans to take pregnancy disability leave shall give the City reasonable notice (generally at least 30 days) of the date the leave will commence and the estimated duration of any leave. If 30 days advance notice is impractical (e.g., medical emergency or unforeseen occurrence) the employee shall inform the City of her need for pregnancy disability leave as soon as practicable.
 - a. The City reserves the right to require written confirmation from the employee's physician or the employee's other licensed health-care practitioner that she is or will be disabled by pregnancy, childbirth, or related medical conditions as a condition of granting pregnancy disability leave.
 - b. The City reserves the right to require written verification from the employee's physician or the employee's other licensed health-care practitioner that her disability has ceased before the employee returns to work.

Section 22.06 RETURNING TO WORK

1. When the employee is ready to return from pregnancy leave the employee shall be entitled to return to her original position unless either:
 - a. The job ceases to exist because of legitimate business reasons unrelated to the employee's pregnancy disability leave (e.g., layoff); or
 - b. Each means of preserving the job for the employee would substantially undermine the City's ability to operate safely and efficiently.

Section 22.07 COMPARABLE POSITION

1. If the employee cannot return to her original position because of either of the foregoing reasons, she shall be entitled to a comparable position unless either:
 - a. There is no comparable position available; or
 - b. For employees whose pregnancy disability does not qualify as a Family Medical Leave Act ("FMLA") leave, a comparable position is available, but filling the available position with the returning employee would substantially undermine the City's ability to operate safely and efficiently.
 - c. "Employment in a comparable position" means employment in a position, which is virtually identical to the employee's original position in terms of pay, benefits, and working conditions, including privileges, prerequisites and status. It must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, responsibility, and authority. It must be performed at the same or geographically proximate worksite from where the employee was previously employed. It ordinarily means the same shift or the same or an equivalent work schedule.

Section 22.08 RIGHTS

Nothing contained herein shall limit the rights of the employee under the California Family Rights Act, the Federal Family and Medical Leave Act or other statutory and/or case law.

The attending physician will identify any work restrictions and limitations. The fire administration will determine if an appropriate temporary light duty assignment is available meeting the restrictions detailed by the attending physician. Final approval for temporary light duty assignments rests with the Fire Chief. Temporary light duty assignments shall be for thirty (30) days. The Fire Chief may grant extensions as needed or requested.

3. While on light duty the employee will wear the department-approved uniform. Exceptions to the requirement to wear the department-approved uniform may be granted by the Fire Chief based on the nature of the injury and the work to be performed.
4. In order to return to full duty the employee must provide written documentation per City Practices authorizing the return to unrestricted duty.
5. An employee assigned to temporary light duty may make a request to the Fire Chief for a modified 40-hour workweek and/or work location. The nature of available assignments and the needs of the employee will be considered in the decision. The Fire Chief will consider each request for a modified schedule/location on a case-by-case basis.

Section 23.04 REHIRE POLICIES

City officials and Association representatives met and agreed to Rehire/Staffing Policy and Procedures. That agreement is reflected in a revised Rehire/Staffing Policy and Procedures dated December 19, 2003. Either party may cause a reopening of the meet and confer process regarding proposed changes to the Rehire/Staffing Policy and Procedures incorporated herein. There shall be no modification to the Rehire/Staffing Policy and Procedures absent an agreement of the parties to do so.

Section 23.05 RANK FOR RANK POLICY

The City agrees that when it rehires employees of the Fire Department it will rehire in rank, in accordance with the Rehire/Staffing Procedures, if there is available for rehire an employee holding the same rank as the absent employee.

- b. Bumping - Moving to a lower classification or special assignment in which there is no vacancy and displacing an employee who has less seniority in that classification or special assignment as determined by appointment date to the affected classification.

2. Grounds for Layoff

- a. Whenever, in the judgment of the City Council, it becomes necessary to reduce the workforce, an employee may be laid off, reduced in classification or displaced (bumped) by another employee. Such layoff, reduction or displacement shall result from action of the City Manager or his/her designee. The City Manager shall recommend to the City Council each classification to be affected by any such change. Employees of the Fire Department shall be laid off in the following order:

1. Temporary, part-time and seasonal employees;
2. Probationary employees;

Employees reduced or displaced (bumped) shall be given five (5) calendar days notice, eight (8) calendar days if by certified mail, indicating the circumstances which made the change necessary. In the event of an emergency, the City Council may approve a reduction in the notice requirements, if so recommended by the City Manager.

4. At-Will Employees

- a. The City Manager retains the right to layoff or alter the work assignment of the following employees at any time without notice or right of appeal: Emergency Employees, temporary or seasonal employees, part-time employees, original probationary employees, promotional probationary employees and employees designated at-will. The promotional probationary employee shall revert to his/her previously held classification and position without loss of seniority.

5. Benefit Payoff

- a. In the event an employee is laid off, he/she shall receive payment, at the employee's request, for any earned unused sick leave (in accordance with the M.O.U.), prorated vacation or holiday time as quickly as possible but not later than fourteen (14) days after the layoff.

6. Procedures for Layoff

- a. Permanent employees shall be laid off in order of seniority in City service, that is the employee with the least City service shall be laid off first, followed by the employee with the second least seniority in City service, etc. Seniority shall be determined by hire date.

7. Procedures for Reduction or Displacement

- a. Employees shall be reduced or displaced (bumped) in order of their seniority in the affected classification or special assignment, that is the employee with the least seniority in the classification or special assignment shall be reduced or displaced (bumped) first, followed by the employee with the second least seniority in rank, etc. Seniority shall be determined by promotion or assignment date. Temporary appointments or "Acting" assignment dates shall not be used

for the purpose of calculating seniority in rank. For the purpose of this section Fire Paramedic shall be considered below Fire Engineer and above Firefighter.

8. Bumping Rights

- a. Employees shall have the right to bump down to a lower classification or special assignment to which they were previously assigned, provided that the employee has greater seniority in that assignment, thus bumping an employee in that classification or special assignment with the least seniority to a lower classification or special assignment. To bump down into a lower classification or special assignment the employee must qualify for the position including any required certifications or licenses. Employees properly laid off in the bargaining unit shall not have bumping rights to any other City departments.  3. Raw score of the Practical (Engineers).
 4. Raw score of the written examination.
 5. The earliest date and time of application.

10. Salary Placement

The employee shall, however, retain seniority while his/her name remains on the reemployment list or lists.

11. Reemployment List

- a. The names of permanent employees who have been laid off under this section (including employees who have bumped down) shall be placed, in order of seniority from highest to lowest, on a reemployment list for their classification or

any lower classification for which the employee is qualified by education and/or experience. Persons on such lists shall retain eligibility for appointment therefrom for a period of three years from the date their names were placed on the list. As a vacancy within a classification or lower related classification becomes available, the name appearing at the top of the list shall be offered the opportunity to fill the vacancy. The name of an individual selected from the list to fill the vacancy who refused the reemployment offer shall be permanently removed from the reemployment list without right of appeal. Laid-off employees do not earn seniority credit or benefits while on the reemployment list.

12. Letter of Layoff

- a. The City shall provide all employees who were laid off from the City a service letter setting forth that the employee was laid off and is eligible for reemployment. 13. Rights of Reemployment

- a. If a person is reemployed by the City within three (3) years, the employee's seniority, sick leave and vacation accrual rates shall be reinstated. Any accumulated sick leave and/or vacation earnings shall also be reinstated to the extent that the employee did not receive compensation for such earnings at the time of layoff. Upon reemployment, employees will be placed on the same salary step held at the time of layoff.

14. Appeal

- a. If the above procedures, except for Section B - Grounds for Layoff and Section D - At-Will Employees, are misapplied and adversely affect a laid-off or displaced employee, the adversely affected employee may file an appeal, setting forth what sections of this Section were violated, to the City Manager.

Section 23.07 GRIEVANCE PROCEDURE

- c. To provide that the grievance procedures shall be as informal as possible.

2. Definition

3. Evaluations

- a. If an employee disagrees with their performance evaluation, Steps 1 and 2 of the grievance procedure shall apply to challenge the content of the employee's evaluation or performance review. If the grievance is not resolved at Step 2, the issue may be presented to the Director of Human Resources within five (5) business days after termination of Step 2. A meeting with the employee, Union representative and the Director of Human Resources will be arranged at a mutually agreeable location and time to review and discuss the grievance. Such meeting will take place within ten (10) business days from the date the grievance is received by the Director of Human Resources. The Director of Human Resources may invite other members of management to be present at such meeting. The Director of Human Resources will give a written reply by the end of the seventh (7th) business day following the date of the meeting. The findings of the Director of Human Resources shall be final.

4. Discipline

- a. An appeal of discipline is not subject to the grievance procedure. An appeal of discipline is distinct from a grievance in that it is an action taken by an employee to request an administrative review of disciplinary action initiated against him or her and is subject to the following procedure, which shall supersede contrary provisions in Ordinance 586,. Where necessary, the City shall propose necessary modifications to bring the Ordinance into compliance with Government Code § 3254.5 (FBOR.). Pursuant to Government Code Section 3254.5, the administrative appeal shall be conducted in procedural compliance with Section 11500 et. seq.

5. Procedure

- a. There shall be an earnest effort on the part of both parties to settle grievances promptly through the steps listed below.
 1. Step 1 - An employee's grievance must be submitted in writing by the employee, fully stating the facts surrounding the grievance and detailing the specific provisions of these Terms alleged to have been violated within fifteen (15) business days after the employee could have been reasonably expected to have had knowledge of the circumstance(s) giving rise to the grievance. The supervisor or management representative shall reply in writing to the employee by the end of the fifteenth (15th) business day following the presentation of the grievance and giving of such answer will terminate Step 1.
 2. Step 2 - If the grievance is not settled in Step 1, the grievance will be presented to the Fire Chief within ten (10) business days after termination of Step 1. A meeting with the employee, Union representative and Fire Chief will be arranged at a mutually agreeable location and time to review and discuss the grievance.
 3. Such meeting will take place within ten (10) business days from the date the grievance is received by the Fire Chief. The Fire Chief may invite other members of management to be present at such meeting. The Fire Chief will give a written reply by the end of the seventh (7th) business day following the date of the meeting, and the giving of such reply will terminate Step 2.
 4. Step 3 - If the grievance is not settled in Step 2, the grievance will be presented to the City Manager within five (5) business days after termination of Step 2. The Grievant(s) or Union Representative and the City Manager shall, within seven (7) business days after receipt of a grievance initiated at this Step, arrange a meeting to be held at a mutually agreeable location and time to review and discuss the grievance. Such meeting will take place within ten (10) business days from the date the grievance is referred to Step 3. The City Manager will give a written reply by the end of the seventh (7th) business day following the date of the meeting, and the giving of such reply will terminate Step 3. The findings of the City Manager shall be final and binding except as provided in Step 4 below.
 5. Step 4 - In cases, and only in such cases, which involve the alleged violation of the Personnel Ordinance, the Classification and Salary Resolution, the Personnel Rules or a Memorandum of Understanding, the employee may, by written notification to the Director of Human Resources within two (2) working days, request submission of the issue to the Los Angeles County Civil Service Commission, Public Employee Relations Board (PERB), or Los Angeles County Employee Relations Commission (ERCOM), whichever may apply, stating specifically the

paragraphs of the Ordinance, Resolution, Rules or Memorandum of Understanding which the Grievant(s) alleges are being violated. The Director of Human Resources shall then submit said request, together with copies of all the pertinent forms, documents, and materials concerned, to the Los Angeles County Civil Service Commission, to review all such evidence and information as it relates to the specific violation alleged by the employee(s).

6. Representation

- a. Employees may be represented by persons of their choice at meetings with the Fire Chief, Director of Human Resources, City Manager or Los Angeles County Civil Service Commission. When the grievance is processed with Union participation, the Union agrees to pay half of the cost of hearings conducted by the Los Angeles County Civil Service Commission, to a maximum annual (fiscal year) amount of three-thousand dollars (\$3,000). In addition, Union shall pay half the cost of any FBOR mandated Administrative Law Judge. In such a case where a grievance is processed without the Union's approval or participation, the individual(s) shall not incur the same cost.

7. Witnesses

- a. In the event an employee represented by the Union is required by any party to appear at any meeting in any Step in this Procedure while otherwise in a paid status, the employee shall not suffer any loss of pay as a result of that appearance.

8. Time Limits

- a. Time limits and procedures, as set forth above for each of the Steps, may be extended or waived by mutual agreement between the parties, but neither party shall be required to so agree. The parties agree that in the event the Union or any member should fail to comply with any of the time limitations set forth in this Procedure, such failure shall constitute a waiver of its right to prosecute the grievance further, unless good cause exists for the failure and the City has suffered no prejudice as a result. In the event the City or any of its representatives should fail to comply with any of the time limits prescribed in this Procedure, such failure shall compel the City to grant the remedy requested in the grievance.

Section 23.08 SHIFT TRADE POLICY

 - ii. The notice shall be prepared and served in conformity with the requirements of Government Code §§ 11500, et seq. The notice shall include a post card or other form entitled "Notice of Defense" which, when signed, will acknowledge service of the accusation and constitute notice of defense under Government Code § 11506.
 - iii. The accusation shall include or be accompanied by a statement to the respondent (firefighter) stating that the respondent may request a hearing by filing a notice of defense as provided in Government Code § 11506 within 15 days after service of the accusation, and that failure to do so will constitute a waiver of respondent's right to a hearing. The statement to respondent should be prepared in conformity with the requirements of Government Code § 11505.

¹ The Los Angeles County Civil Service Commission and the El Segundo City Council shall be referred to collectively in these rules as "Commission/ City Council" inasmuch as the same procedures apply to each. Which body conducts the hearing will depend upon the punitive action being appealed.

- b. Request for Appeal Hearing - A firefighter seeking to appeal to the Commission/ City Council must file a timely Notice of Defense within 15 days after service of the accusation, in compliance with Government Code § 11506. Failure to file a timely Notice of Defense shall constitute a waiver of the respondent's right to a hearing, unless the City Manager (or designee) in his or her discretion nevertheless grants a hearing.

- c. Administrative Law Judge- Pursuant to Government Code § 11512, the City has determined that appeals shall continue to be heard by the Commission (or its designee)/ City Council with the administrative law judge presiding at the hearing, pursuant to California Government Code section 11512(b). 3. SUPPLEMENTAL APPEALS PROCEDURES FOR PUNITIVE ACTIONS NOT INVOLVING FIREFIGHTER DISMISSAL, DEMOTION, OR SUSPENSION FOR MORE THAN FIVE WORKDAYS

Appeals from punitive actions other than suspensions for more than five workdays, demotion, or dismissal, shall be conducted in accordance with the appropriate procedures set forth in Rule 14 of the City of El Segundo Personnel Rules. The Los Angeles County Civil Service Commission shall have no jurisdiction over an appeal under this section. Nothing herein shall be interpreted to establish a property interest in any assignment.

In addition, pursuant to Government Code §§ 11425.10 and 11445.20, the following informal hearing procedure shall be utilized for an appeal by a firefighter of a punitive action not involving a dismissal, demotion, or suspension for more than five workdays. Examples of punitive actions subject to the informal hearing procedure, include, but are not limited to, written reprimands and non-disciplinary transfers resulting in a loss of compensation (e.g., non-disciplinary transfer out of a premium pay assignment). The appeal is an opportunity for the firefighter to present written material and arguments why a punitive action should not occur or offer alternatives to the action.

- a. Effective Date of Punitive Action – Pursuant to Government Code § 3254, subsection (f), punitive action other than a dismissal, demotion or suspension for more than five workdays shall not be effective sooner than 48 hours of issuance of the final notice of discipline.

appeal the punitive action. The notice of appeal shall specify the action being appealed and any substantive and procedural grounds for the appeal.

- c. Presiding Officer – In an informal hearing, the Fire Chief or his/her designee shall be the Presiding Officer. If the Fire Chief cannot serve as the Presiding Officer because of actual bias, prejudice or interest as defined by Government Code § 11425.40, then the City Manager or designee shall serve as the Presiding Officer. The Presiding Officer, or his or her designee, shall conduct the informal hearing in accordance with these procedures. The decision of the Presiding Officer shall be final and binding.
- d. Burden of Proof- The Fire Department (“Department”) shall bear the burden of proof at the hearing.
 - i. If the punitive action involves charges of misconduct (i.e., allegations that the firefighter has violated one or more federal, state, or local laws, and/or City or Fire Department regulations, procedures, or policies), the Department shall have the burden of proving by a preponderance of the evidence the facts which form the basis for the charge(s) and that the punitive action was reasonable under the circumstances.
 - ii. If the action being appealed does not involve allegations of misconduct by the firefighter, the limited purpose of the hearing shall be to provide the firefighter the opportunity to establish a record of the circumstances surrounding the action. The Department’s burden of proof shall be satisfied if the Department establishes by a preponderance of the evidence that the action was reasonable. The Department’s burden of proof may be satisfied even though reasonable persons may disagree about the appropriateness of the action.
- e. Conduct of Hearing-

- iv. Following the presentation of evidence, if any, the parties may submit oral and/or written closing arguments for consideration by the Presiding Officer.
- f. Recording of the Hearing- If the punitive action involves the loss of compensation, then the hearing shall be stenographically recorded by a certified court reporter. Otherwise, the hearing may be tape recorded. The per diem cost of the court reporter shall be equally borne by the parties. The cost to receive a transcript of the hearing shall be borne by the party requesting the transcript.
- g. Representation- The firefighter may be represented by an association representative or attorney of his or her choice at all stages of the proceedings. All costs associated with such representation shall be borne by the firefighter.
